

VOTE

November 5, 2019

Our **Schools**. Our **Community**. Our **Future**.

On November 5, 2019, Alexandria School District residents will vote on a request to increase school funding to bridge the district's budget gap and help maintain its academic programs, student support services and class sizes.

The majority of Minnesota school districts rely on locally approved operating levies to help fund their schools.

The levy would be phased-in over time, as would the tax impact. This allows the district to only ask for what it needs, when it needs it.

Alexandria is one of the few school districts in the area without an operating levy. The last levy request was 15 years ago.

SCHOOL DISTRICT BALLOT QUESTION

Approval of New School District Referendum Revenue Authorization

The board of Independent School District No. 206 (Alexandria), Minnesota has proposed to increase the School District's general education revenue by the following amounts for taxes payable in the years specified:

- \$375 per pupil for taxes payable in 2020
- \$485 per pupil for taxes payable in 2021
- \$595 per pupil for taxes payable in 2022 through 2029

The proposed new referendum revenue authorization would be applicable for ten (10) years unless otherwise revoked or reduced as provided by law.

- YES
 NO

Shall the increase in the general education revenue proposed by the board of Independent School District No. 206 (Alexandria), Minnesota be approved?

BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING FOR A PROPERTY TAX INCREASE

Funds would help maintain the district's academic programs, student support services and class sizes.

The estimated tax impact on the average homeowner (\$220,000 value home) is less than \$10 per month in year one with a smaller increase of less than \$3 per month in year two and again in year three.
